Constable Prescott Near Death As Result Of Preventable Accident

As a result of a collision with an FEC train Wednesday night at the recently lowered tracks where they cross the city street at the Water Works, Constable Buford Prescott lies unconscious in the Belle Glade Memorial Hospital with a reported "chance to live".

With no reported eye witnesses, it is assumed that Prescott going west did not see the approaching train until some fifty to sixty feet from the track, and was unable to stop the car before colliding with the engine. The car was thrown from the road and into a telephone pole on the south side of the street, with considerable damage to the car.

The Wetherington Funeral Home ambulance rushed Mr. Prescott to the hospital where Doctors Baker and Richmond worked over him desperately to provide a breathing stoppage by the insertion of a tube into his throat. He was placed under an oxygen tent after first aid treatment to permit recovery. (Continued on page four)

Hospital Auxiliary Meeting January 8

The Belle Glade Memorial Hospital Auxiliary will meet in the nurses lounge at the hospital at 2 p. m. Tuesday, January 8 for its regular work session, followed by a business meeting.

Who's Next?

Several accidents, including at least one fatal at the Avenue E crossing, one fatal collision at the Avenue E crossing, and how many more fatal, on the canal's south bank where the rail track was lowered, makes you wonder, "Who's next?"

At the commencement of the negotiations with the City for acquiescence with the lowering of the tracks, City officials insisted that the Railroad provide automatic warning signals and protection, and finally received a commitment that these would be installed at the canal and at the levee crossing.

There are EXCUSES offered about delay in getting materials ordered for the installation. Did the Railroad KNOW it would be required to furnish these accident-prevention installations but delayed ordering them?

The likelihood of the Prescott accident would have been reduced almost to a minimum had proper automatic warning and prevention equipment been installed when the tracks were lowered.

With the FEC boardholders and the Coastline officials have maintained great consideration for the people of Belle Glade, which one would agree to get a "automatic protection" in right away, in order to save a life — which might be yours?

Engineers To Report On Water Improvement

It was announced Wednesday night at the regular Commission meeting that Russell and Axon, engineers, will make a revised report on plans for the improvement of Belle Glade's water system on next Wednesday night, Jan. 9th.

JOB AND WORKER

J. W. Mosley, Jr., Representative Florida State Employment Service

THE LONG HAUL

Two crews of 25 male domestic agricultural workers from South Carolina will arrive here this week. These crews are being brought in by growers to harvest celery and lettuce.

Transportation to Florida is arranged and paid for by the worker through payroll deduction.

J. W. Mosley, Jr., states: "The grower's only responsibility to the worker is to have a job for him and a place to live. It is our understanding at the present time that more crews are available in South Carolina for work in the Glades area. Any grower in need of agricultural workers to help harvest crops should contact our office as soon as possible so that we can get the wheels turning to bring these workers in."

THE BIG LOOK

A large corporation spent a lot of money in a survey. They found out that their best executives and department heads were also the best husbands, best fathers and the best civic workers, among the entire personnel. A man will not be a good executive for eight hours a day and a poor father, husband and citizen the balance of the time. Leadership is made of. (Continued on page six)

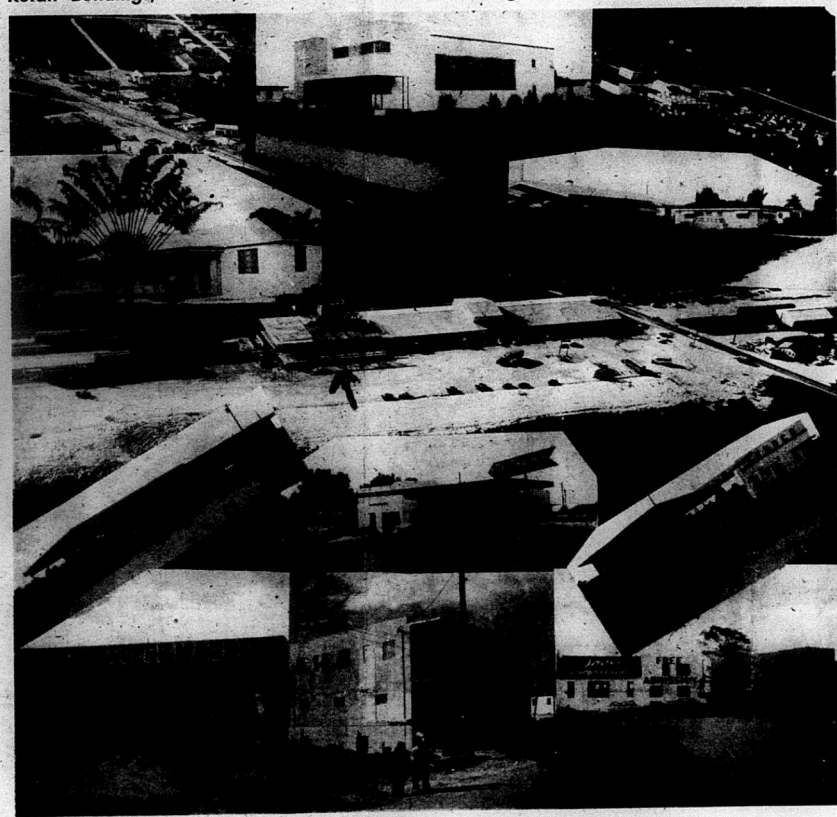

Glades Daily Car Movement Nearing 800 Equivalents

With trucks carrying approximately 55% of the total carload movement, the daily car movement 387 for the week ending Wednesday, the total movement is nearing the 800 carload equivalent.

Prices generally are much stronger for the past week, with celery and other leaf crops showing financial voids of the past fall.

South Bay's Two Year Improvement Boom Includes Streets, Bridge, Dikes, Industrial, and Retail Buildings, Schools, Church And Homes totalling Near A Million Dollars In Value

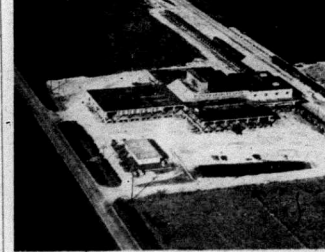

SOUTH BAY GROWERS packing and precooking plant (center) is its major industry, employing from 25 persons year-round to upwards of 200 at the peak with an annual payroll of \$300,000 plus. The arrow points to the concrete and steel addition valued at \$30,000. Payrolls of member farmers in the Cooperative are not included. At top center is shown the new Baptist church and grounds. Above the packhouse (left) is shown the home of the Billy Rogers, recently remodelled and the homes of Roy Segree and W. G. Bowen (right). Roy's Barbouche (center, under packhouse) has just completed additions that more than double his seating capacity to approximately 100, as well as a doubling of the kitchen facilities, with entrances on US No. 27 and the side street. Lower left is one of the three new spacious super-markets completed during the past year: above and to right of SB Market is the E & R Market and the Bailey Brothers Market and apartment building. In the lower right Mr. and Mrs. Cram's Emporium has just added a display and retail store room for the benefits of the hundreds of tourists who stop to patronize this recent attraction to the City. Above the Shell Emporium is shown the new Sunoco station and stand to be operated by Ray Sullivan when completed.

Improvement Activity In South Bay Indicates A Sustained Growth Trend

South Bay known earlier as agricultural community and the terminal for water travel cross-roads of National and State thru-routes, with a nearby million dollar "improvement" of the benefit of its geographical program during the past two convenience to a productive year.

The Federal-State flood control program has deepened the canal thru the City and built dikes along the banks to contain the waters of the floodway thus provided: the state Road Department has constructed a modern concrete bridge across the N. New River.

The City has repaired, resurfaced (Continued on page four)

PIONEER GROWERS COOPERATIVE has just added a building (right of tracks) 60 x 300 as a potato, pepper, and storage house at a value of approximately \$125,000, including a 16-car track and a 250-foot long loading platform. This improvement is not reflected in the City's building permits for the year.

Fringe Community Building Adds Two Million To 1 1/2 Million City Permits

By diving with South Bay, the office of Production Credit, the Inspection Service houses and other buildings for homes, offices and businesses, the Belle Glade-Chosen community comes up with \$1,250,000 in City permits, plus

First Class Bull(s) Offered At Glades Livestock Market!

The Glades Livestock Market is holding its annual bull sale on January 12th at 1:00 o'clock and there'll surely be some "first class bulls" there for you. The purpose is herd improvement, not audience enjoyment.

In order to attract buyers with a specified number, grade and weight of animals offered, special stocker-feeder sales will be held by the market during the spring and summer, with all animals on consignment.

Stocker steers and heifers were half a buck lower than last week with all slaughter prices as much higher.

SALE DECEMBER 31, 1956

533 Cattle \$43,436.09

77% to Slaughter — 23% to Stocker

144 calves, 20 heifers, 140 cows, 214 steers, 15 bulls, 1 horse.

Slaughter Prices

Steers: Cht. 19.00-19.25, Gd. 17.80-18.75, Stnd. 13.50-15.50, Uty. 12.25-13.75, Cut 10.50-12.00.

County Fair Dates January 18th-26th

Plans are crystallizing for the largest Palm Beach County Fair and Parade in history, according to Fair President W. A. Boutwell Senior, and Parade Chairman Harry A. Johnston — and it will be coordinated this year by modern electronics. The annual Fair, will open this year Friday, January 18th and will close Sunday, January 26th.

Boutwell reported that 80 percent of all exhibit space has been reserved. All Agricultural space has been assigned as have Federal, State, County and Civic exhibits. All in all, the Fair will occupy twice the space it did last year, Boutwell said.

Col. R. W. Milburn, City Police Chief, and Parade Marshal will use walkie-talkie to direct the parade, which will be held downtown simultaneously with the opening of the Fair at 7:00 p. m.

Already lined up are a Palm Beach County All-Star swimming group of 50 baton experts, 100 to 150-man marching unit of the National Guard, a Police Reserve unit, and two Palm Beach Air Force Base marching units and vehicles, according to Captain Roscoe Douglas, Deputy Parade Marshal.

Howard Swyers, Band Committee Chairman, said two Junior High Bands, one Senior High Band, and an Airforce Band are signed up. John Frank Thomas, Commercial Float Chairman, said he already has commitments from several Orange Bowl units as well as many local business floats.

Plans are set for the reviewing stand to be erected at Olive Avenue and Clematis Street.

Ed P. Stump, Public Relations Committee Chairman, announced appointment of the Fair's Publicity Director, Mason Buck, a long-time newspaperman and publisher of Palm Beach County.

Collegians Hear Danish Student At Rotary Meet

Guest speaker at the Rotary luncheon for college students last Friday, was Arni Pjetersen, a Danish graduate student in marketing at the University of Illinois. He is studying for a Rotary Foundation Scholarship.

Dr. W. T. Forse who introduced the speaker, stated that graduate students are chosen for this exchange program of study by Rotary, on their personality and academic achievements, and etc.

Before coming to the United States from Copenhagen, Mr. Pjetersen completed an undergraduate training in commerce and was employed by a chain store organization.

To begin his talk, Arni expressed his gratitude to the American people for their hospitality, then went on to tell about his life in Denmark.

His methods were likened to experienced operators, and some of the cases would never have been completely cleared up except for the boy's confession.

He stated that the Danish (Continued on page 2)

County Delegation Announces Four Public Legislative Clinic Dates

Following a precedent advanced by the PB County Resources Development Board years ago, the Palm Beach County legislative delegation will hold clinics on proposed legislation, beginning in WFTS on February 19th and ending there on March 15th, with one each in Delray and Belle Glade, in between.

Every citizen group or municipality who wants a bill introduced and supported by this delegation in the next legislature is asked to appear and present it. It is particularly requested that municipalities and organizations be at these meetings so that attorneys may have time to prepare the bills in accordance with legislative requirements and any views be aired.

Local bills that are those affecting this county — are a worthwhile assignment that may be assigned to the benefit of the community if handled in this manner. The ability to pass this legislation is based on the delegation's having an opportunity to hear or eliminate any objections on the ground. Otherwise, it must be obtained by letter and/or phone from Tallahassee.

which lessens the possibility of passage.

The policy announced by the delegation of, "no last minute local bills, except for extreme emergency" assures the public of no objectionable legislation being "thru".

Our delegation is offering this most democratic way of "everybody's day in court", is in tune with the old Town Hall Meeting method and should be appreciated to the extent of hearty cooperation.

This County's delegation takes no back seat in comparison with that of any other county in the state, and its effectiveness will be increased by cooperation with this outlined plan.

A joint statement of the delegation includes the following:

The Palm Beach County delegation will follow the precedent laid down in the past at which time the delegation will be pleased to hear from all persons, groups, associations, municipalities and all other planning to submit legislation to the delegation for action during this coming session.

*Except in cases of extreme emergency (Continued on page six)

2357 Telephones In Glades Exchange For A 13.7% Increase In Year 1956

Investing in new telephone facilities and service improvements at the rate of more than \$1,217,000 per week, Southern Bell spent a record of \$63,300 in 1956.

As the result of the 1956 construction program, Yates said, 115,000 new telephones were added in Florida for a total of 892,000 telephones now in service. In addition, some 41,000 telephone users were provided with a higher grade of telephone service.

In releasing the year end statement for Southern Bell, E. F. Reddy, District Manager, said that 284 telephones were added in Belle Glade during the past year. This is an increase of 17 per cent. In addition, 171 telephone subscribers were provided with higher grades of telephone service.

During the same twelve-month period, long distance calling volume in Belle Glade and Pahokee increased 17 per cent, with an average of 1,287 long distance calls being handled daily.

During 1956 the new Central Office of the area prefix "754" (Continued on page four)

phone Company's Florida operation.

2/Lt. Donald S. Aunapu, was awarded the wings of a rated pilot and received his commission as 2nd lieutenant on Dec. 4 at Laughlin AFB, Del Rio, Texas. He arrived here December 23 to spend the Christmas holidays with his parents, Mr. and Mrs. Frede Aunapu and left Monday to report to his new base at Perrin AFB, Texas, where he will be flying the F-86 B Sabre Jet.

A graduate of Belle Glade High School in 1952, Donald joined the Naval Air Reserve in Sept. 1954 and served as A-3C medallist in Miami until August 1954, when he was put on inactive list, following his decision to enter the Cadet Program.

He received his pre-flight training at Lackland AFB at San Antonio, Texas. There he received training in flying the T-34 and T-38 and then was transferred to Laughlin AFB, where he made the transition into jet aircraft in the F-33 jet.

Besides the flying training he completed an exciting academic program and a strenuous physical education program which conditioned him for the rigors of long hours of high altitude.

Donald expects to be sent to

Entries Accepted For
1957 PBC Fair Queen

Entries in the 1957 "Miss Palm Beach County Fair Queen" Contest will be accepted from December 20, 1956 to January 14, 1957, according to contest director Norman B. Hart, Jr. of the West Palm Beach Jockey Club. Any single girl who has reached her 18th birthday and is now residing in Palm Beach County is eligible to enter. The complete list of prizes has not been announced, but among other prizes the Queen will receive an all expense paid three day trip to Havana for two, second and third place winners will also receive prizes.

"This contest will be judged strictly by beauty and the queen will be chosen on the night of January 19th at the Fair Grounds," according to Hart. The panel of judges will be announced on the night of the judging. Entrants in the contest will be sponsored by merchants or organizations. "Miss Palm Beach County Fair Queen" will reign over the Fair for the next day at the Fair Grounds Jan. 18-26. Last year's winner was Virginia Voss, Marie Drive, rural West Palm Beach. Any girl interested in earning or wanting more information should contact Norman B. Hart, Jr., at West Palm Beach or call Temple 2143, W.P.B.

Wedgworth Employees
Honored At Dinner

Employees of Wedgworth's enjoyed their annual Christmas dinner party at the Clewiston Inn.

Two of the employees working for the company for 10 years, N. T. Taylor, superintendent at the packing plant and Pauline plant at West Palm Beach, were presented with a pen and pencil set. The employees presented Mrs. Ruth Wedgworth with a polaroid camera and there were gifts for all other employees.

Miss Barbara Wedgworth showed colored slides of the operations of the packing plant and farms and pictures of most of the employees were also shown.

community's income. However, the few days just prior to Xmas found most merchants busy with a satisfying volume and farmers had begun to ship the mid-winter vegetable with a few pennies coming back.

Most merchants report "yes, a very good business, thank you" when asked about the holidays.

The situation recalls many previous years when an early frost really kept the Glade farmers "down in the dumps" for a long time.

With sweet corn, cattle to supplement the celery, leaf vegetables and potatoes, a "bump" like the recent one may leave its mark, but it's not as serious as in former years.

Itching Torture
PROMPTLY RELIEVED

A doctor's formula—soothing antiseptic Zemo—promptly relieves the itching, burning of Skin Rash, Eczema, Psoriasis, Ringworm and Athlete's Foot. Zemo stops scratching and soothes best. Zemo.

Fair Xmas Business
By City's Merchants

The volatile feelings of Glades folks, where Nature has combined an unmeted chill with weather for farmers, with sudden and disastrous quirk of the elements were working full beam ahead during the pre-Xmas holidays, for the effects of the recent cold spell left a million dollar void in the community's income.

Young People Enjoy Holiday Dance, Party

A holiday dance and party was enjoyed by a group of young people at the Municipal Country Club with the Misses Jean and Kay Rivers, Betty Seale and Eva and Alvera Bravado as hostesses.

The Yule theme was carried out in decorating the club room with a gaily decorated Christmas tree, candles and pine boughs, silver and gold bells and candy canes.

The guests were entertained with games, pop music, dancing and refreshments. Present were Frances Sloan, Leo James, Barbara Jean Willis, Dot Irwin, Marvin Bergman (all home from college), Ed Rivers, Willy Williams, Marilyn Clements, Leon Warren and friend, Linda Berryhill, Ralph Harrell, David Morris, Esther Greer, Roy Walker, and cousin Sherry, Buck Jones, John Miller, Joan and Jean Johns, Lela Ann Binkley, Well Kilgus, Kenneth Perkins, Deaton Alford, Dennis Alford, Linda Connell, Wayne Ingram, Leon and Agnes, Margie Mock, Mary Mock, Billy Jones, Eleanor Kelting, Dennis McDonald, and Julia Anna Cole and brother.

Also John Sellers, Donald Lee Sellers, Richard Weeks, Eugene Pearce and Walter Woods from Palmdale.

Chaperones were Roy Harris and Mrs. Alford of Belle Glade.

Miss Glenda Poole Becomes Bride Of Thomas S. Walton In Home Ceremony

Photo by Averitt.

In a charming and simple ceremony on the evening of December 21 at eight o'clock, Miss Glenda Poole, daughter of Mr. and Mrs. Russell J. Poole of 449 S. E. 4th St., Belle Glade, became the bride of Thomas S. Walton, son of Mr. and Mrs. Marvin S. Walton of Clewiston.

The double-ring ceremony was solemnized in the home of Mr. and Mrs. J. D. Poole with the Rev. Fred Robbins officiating.

Nuptial vows were exchanged before an improvised altar in the living room with lavender, white and bronze mums used in profusion and flanked on either side by palms. The ceremony was performed in the presence of the immediate family and relatives.

Given in marriage by her father the bride was lovely in a powder blue brocade satin dress with three quarter length sleeves. Her accessories were powder blue and white, and she wore a tinted blue white orchid corsage.

Miss Donna Faye Walker attended the bride as maid of honor. She wore a blue and white silk dress with matching accessories and a blue carnation shoulder corsage.

Mrs. Poole chose for her daughter's wedding a grey dress with navy blue and white accessories and a white carnation shoulder corsage.

The young couple left on a brief wedding trip to Palm Beach.

Mrs. Poole was graduated from Belle Glade High School, class of '53 and was employed by the Okeelants Sugar Corp., before attending Mr. Sinal and Mercy Hospitals in Miami for training in X-ray. She is presently employed at the Glades Medical Clinic, 248 S. Main St., Belle Glade.

Mr. Walton is a graduate of Clewiston High School in 1952. He was class president in his senior year, and was active both scholastic and sport activities while in high school. He joined the U. S. Marine Corp. in 1953 and now is enrolled at the University of Florida and is working toward a degree in electrical engineering.

College Students Are Entertained

College and prep school students home for the holidays were entertained at a dance given in their honor, Friday night, December 28 at the Municipal Country Club, Belle Glade.

The hall was beautifully decorated with arrangements of silvered leaves, blue ribbon bows and large fire-ball poinsettias. The mantle, above a roaring log fire was banked with large silvered leaves and poinsettias.

A lace covered refreshment table centered with a cut glass punch bowl and surrounded by trays of sandwiches, cookies and other party snacks, stood in

one corner of the room. During the evening the group enjoyed a solo by Clark Womack and Jerry Barry entertained with a skit and anecdotes of college life.

Music for the evening was furnished by Billy Murray's Orchestra from West Palm Beach.

Hostesses for the occasion were Mrs. W. C. Bamford, Mrs. R. V. Allison, Mrs. C. A. Thompson, Mrs. J. H. Chambliss, Mrs. Henry O. Earwood, Mrs. E. D. Humphries, Mrs. Ruth Weidner and Mrs. J. W. Mosley, Jr.

Buick Wildcat 2-door hardtop

Top Click of the New Car Season

Want to get your New Year off to a rollicking start?

Want to take the wheel of the car that's winning raves from Coast to Coast and back again?

Then take the wheel of a 1957 Buick and try the sparkling-new performance team in all autodom.

We mean the team with the highest-powered V8 engine ever to ginger a Buick—and an advanced new Variable Pitch Dynaflow.*

Here, with just a judicious touch of foot to treadle, you get response so obediently instant, so liquid smooth, and so full range in "Drive"—that you've never in your life felt anything like it.

It's sports-car going in a full-sized traveler that's sheer delight from start to finish.

Know what else?

Folks like the way this new kind of performance comes dressed in sleek and glamorous styling that's fresher than tomorrow's news.

They like the new roominess inside these low-sweep Buicks and the new luxury of their "nested" ride.

They like the new ease of handling, the new steadiness of cornering, the way stops are always on the level no matter how quickly you use the brakes.

Fact is, folks like everything about the newest Buick yet—the car that's fast becoming the biggest hit of the new car year—and you will, too. Come on in and try it this week. We'll have the new car right out for you.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick built today. It is standard on Roadmaster, Super and Century—optional on wildcat.

Dec. 25 — Mr. and Mrs. Crawford-Roy, (Carolyn M. Parson) Belle Glade announce the birth of son, Carroll John at local hospital.

IMPROVEMENT ACTIVITY (Continued from page one)
faced and built a number of streets, and has let a contract for building 2.8 miles of main streets to be completed during 1957.

Face lifting, additions and enlargement of existing buildings include homes, store buildings, retail establishments, as well as the building of new establishments.

City Clerk Alvin Crow reports building permits from his office as totalling \$326,930 during '56 with \$123,000 during '56. These figures do not include any drainage work, bridge, street work and some other buildings in the community.

Work is far ahead on a proposed water system to include Bean City and Lake Harbor which will add to the attractiveness of that area for home sites.

The State Road Department has secured the triangle plot of

FRINGE COMMUNITY (Continued from page one)
Forest's Five and Ten, Dave's clothing store and the Case Rate market. Two other new store buildings on the south side of Avenue A further west were also opened.

Several retail buildings accounted for two thirds of the City's total building permits — \$1,033,000 of the total.

A permit for the Armory Building of \$167,000 was granted, but the total cost will be about \$200,000.

With a young high and elementary grades for whites, and an outstanding school facility for negroes, increased and retained during the past several years and a new, conveniently located and commodious Baptist church the educational and religious facilities of the community have felt the influence of the building program.

Among municipal improvements during '56 were five miles of streets, curb and gutter, Avenue B and First Street, NW, dual highway with safety strip, curb and gutter NW Seventh opposite elementary school, curb and gutter SE First Street.

"The Water Department added 1,000 feet of 12 inch main, 5,000 of six inch main and 5,500 feet of two inch main."

2357 TELEPHONES IN (Continued from page One)
was added to all Belle Glade telephone numbers, and sizeable additions were made to both dial and toll buildings.

Yates pointed out that in order to meet continuing demand for telephone service throughout Florida, 1,250 new people were added this year. This brings the total payroll of employees in the state to almost \$3,800,000 per month.

March Of Dimes Coffees Sparkplug '57 Campaign

The first in a series of March of Dimes coffees will be held Saturday at Burdine's Hibiscus Tea Room in West Palm Beach and will be attended by some 50 guests representing all sections of Palm Beach County.

Hostesses for the coffee — a new event being staged this year to raise funds to combat polio — will be Mrs. Harry N. Nye, county coffee chairman for the campaign and Mrs. Frances Duval, Mothers March chairman. The two volunteers recently attended a March of Dimes coffee held at the Groves in Tallahassee with Mrs. Letory Collins as hostess to March of Dimes volunteers from every county in the state.

The Saturday coffee is set for 9:30 a. m. and Mrs. Nye said guests at this event will in turn sponsor similar coffee parties in their own communities throughout the month of January.

Garden Club To Hear Talk On Conservation

Conservation will be the subject of Dalton Harrison, agricultural engineer of the Everglades Experiment Station, at the regular meeting of the Belle Glade Garden Club, Jan. 10 at 3 p. m.

Mrs. Victor Mulberg is chairman for the meeting. Contest, line arrangement, stressing yellow. Specimen on Caledonia.

Rams Take On Fort Myers Here Tonight

Belle Glade Rams basketball team will play Ft. Myers here tonight at the High School gym in their 6th game of the season. The Rams have only lost one game out of five, to the Golden Tornados of Pompano. The "B" string will play the first game against Ft. Myers "B" team.

The show entitled "Let's See Us" will be a colorful revue and minstrel and satire on our national politics and winds up with a George M. Cohan type of patriotic musical.

Miss Marjorie Nejarian will cooperate in the production of the show with the solo and chorus numbers.

CONSTABLE PRESCOTT (Continued from Page One)
ery from shock.

As of late Thursday afternoon his condition remained critical and he had not regained consciousness.

OPERATION BIG SWITCH

for Better Florida Farming

Florida farmers are switching more and more to electricity to speed work, improve efficiency, increase profits. For instance, many dairy farmers are now installing lights in the floors of milking stalls to provide better illumination during milking. Makes inspecting for sanitation easier, speeds milking by hand or machine. Look around your farm... discover ways electricity can make your farming more efficient.

Electricity lights the work of the farmer's wife, too. For example, heating water electrically is cleaner, safer, and more economical in an all-electric kitchen-laundry... on the farm or in town!

CHURCHES

First Baptist Church To Begin Bible Study

The First Baptist Church will observe January Bible Study beginning the 7th at 7:00 p. m. The book "The Gospel According to Paul" will be the text. It will be taught by Mr. W. W. Maholm, Mr. Mills Byrom, and Mr. W. T. Forster. The book is a study of Romans.

Church Directory

College students were in charge of the services last Sunday night. Students taking part were: Leo James, Jerry Brent, Marvin Bergman, Suzanne Forster, Pat Figueroa, Franklin Jones, Frances Sloan, Rosemary Schlechter, Armella Browne, Janice Cole, Walter Mosley, Edward Malcolm, and U. W. Malcolm, Jr. Don Lue, a student from Formosa, spoke briefly of his own Christian experiences.

Former Vicar Here Ordained Priest

Next Monday in St. Stephen's Church, Rev. Mr. Walter G. Martin, former Glades vicar will be elevated to the priesthood by the Rt. Rev. Wm. F. Moser, D.D., Suffragan Bishop of the diocese of South Florida.

Mr. Martin is a native of Florida, graduated in journalism of the University of Florida, and former city editor of the

low, John Kinlaw and Urban Felling will be ordained and installed.

At the evening service the Bible Study topic will be "Science and Health" based on Matthew 5:41.

CHURCHES OF CHRIST, SCIENTIST

The divine answer to human needs will be brought out at Christian Science services Sunday.

Readings from the King James Version of the Bible and correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "God" from the Philippines (4:19).

The following will be read: "My God shall supply all your need" by Christ Jesus.

Correlative passages to be read from Science and Health include the following (49:10-11): "Divine Love always has met and always will meet every human need."

Services At Community Methodist Church

Communion service will be held at the Community Methodist Church Sunday morning and at the evening service at 7:30 p. m. Rev. H. Garrett will preach on a special sermon topic, "What's Right With The World."

There will be special music by the lyric choir and a solo by Milton Carpenter.

The pastor is stressing a goal with all resident members of the church to attend the first Sunday of the New Year Members of the Commission on Evangelism are working toward this end.

The regular breakfast of the Methodist Men will be held Sunday morning at 7 o'clock, all men of the church are invited to attend.

U. S. Navy Forming Gasparilla Company

Young men interested in enlisting in the Navy. Enlist now in the all Florida "Gasparilla" Company.

This Navy company of young men will be from Florida and receive their basic training at

the Orlando Sentinel. On his graduation last June from theological seminary he was ordained deacon and appointed by the

Rt. Rev. Henry I. Lottitt, D.D., Bishop of South Florida, to the missions at Belle Glade and Pahoehoe.

In October he accepted a call to be assistant at the Coconut Grove church which was much in need of a clergyman to work in the large church school, and to do pastoral visiting.

Others officers were Rev. John Cooper, vice president; Rev. U. W. Malcolm, secretary; and Rev. Garrett in charge of weekly radio programs.

News Of Everglades Presbyterian Church

Dr. J. Leighton Scott, pastor of the Everglades Presbyterian Church will bring a message Sunday morning, January 6 on "Religion and Death," preceding the communion service.

Descons elect Myron E. Lund

Transportation, food and lodging will be provided by the Navy, it was reported by Chief B. A. Werner.

For information contact, call or write Chief Werner, U. S. Navy Recruiting Station, West Palm Beach, TE 2-2296.

JOB AND WORKER

(Continued from page one) sterner task. Here are 5 qualifications to look for in selecting personnel to fill your vacancies:

(1) A deep faith in something bigger than himself, (2) A genuine willingness to be himself, (3) Real enthusiasm for the job to be done, (4) A desire to be sincere, (5) The ability to think in terms of the entire organization.

PROOF OF THE PUDDING

The high employment that the Glades communities are enjoying is reflected in the extremely small numbers of persons drawing Unemployment Insurance.

Of an estimated 15,000 - 18,000 workers only 3 are presently drawing Unemployment Insurance checks.

In order to receive Unemployment Compensation, an applicant must have minimum wages from a covered employer, be able to work and be available for work, and must be out of work through no fault of his own.

This office is dedicated to the premise that a working community is a healthy one. Continuous effort is made at all times to find the right job for the right worker. Employers in this area can continue insuring a healthy community by phoning in all job openings to our office at Wyman 6-3067.

COUNTY DELEGATION (Continued from page one) emergency, the delegation will hold these meetings when all legislation relating to local bills should be presented.

The following schedule has been tentatively set:

1. First clinic to be held in West Palm Beach, County Commissioners Board Room in the Court House on Friday, February 15, starting at 9:30 A. M.

2. Second clinic to be held in Delray Beach City Hall on Friday, March 1, at 10 A. M.

3. Third clinic to be held at Belle Glade City Hall on Friday, March 8, starting at 10 A. M.

4. Final clinic to be held Friday, March 15, in West Palm Beach, County Commissioners Board Room, starting at 9:30 A. M.

"The 1957 session of Florida Legislatures convenes April 2, and promises to be a very challenging one."

Budget requests already far exceed anticipated revenue for the next biennial. School financing, additional road funds and expansion of state agencies and every proposed bill submitted to it.

"We feel that our method of holding public meetings in various sections of the county prior to the opening of Legislature is the best possible guarantee to the citizens whom we are privileged to represent that so local legislation shall be submitted to us without first being aired in public. This has been the policy of the Palm Beach County delegation in the past, and it will be impossible for us to entertain additional local bills after the session convenes except in cases of real emergency that may arise in some municipality or other governmental body serving the citizens of our county."
